**Main Pool 75**  
**Tot Pool 5**

Hand Sanitization upon entry

OPENING DAY

## **JUNE 21, 2021**

With the Province's announcement of its "Open for Summer" plan that means the Swimming Pool can open but still with reduced numbers and programs as well as some restrictions will remain in place.

As restrictions are lifted and staff are back in place we will slowly begin to get back to normal operations. Once we know what restrictions we need to follow in Stage 2 we will keep you up to date on them after the announcement today.
